

SAPRO + Autire = Your EBP Audit Advantage

Staffing + Autire Expertise =
Next-Level Audit Efficiency

SAPRO has partnered with Autire to enhance audit efficiency through strategic staffing! Our pilot program delivers *experienced, Autire-trained* auditors straight into your **EBP audit practice**.

Why This Matters

CPA firms face two major challenges:

1. **Improving audit efficiency**
2. **Addressing staff shortages and capacity constraints**

This partnership tackles both.

Together, we're launching a pilot program that brings experienced SAPRO auditors – trained directly by Autire – into CPA firms' employee benefit plan (EBP) audit practices. These professionals don't just understand audit – they understand Autire, too.

Auditor Designations: Know Who You're Getting

Auditor trained: They've completed the core training academy. These auditors are ready to contribute and will continue to be supported by Autire.

Autire Certified: Top-tier talent who've mastered the Autire platform. Expect fast, efficient, independent audit work from day one.

What you get with the Autire partnership

By combining SAPRO's global talent network with Autire's audit technology, we aim to support firms with:

Plug-and-play audit talent trained on Autire

Senior professionals with deep EBP and managerial experience

24/7 productivity to keep your audits moving

Cost-effective staffing without sacrificing quality

More time for your team to focus on strategic priorities

Here's to smarter, faster, and more efficient audits – together.
